2024

Please join Veggielution as we celebrate **fEAST on the Farm** by sponsoring **fEAST**, our fundraising dinner on **Sunday, June 9th 2024**.

We would be honored for you to consider sponsoring this event, where over 250 local community leaders, business partners and elected officials will gather to enjoy:

- Appetizers prepared by Hết Sậy!
- Farm to table meal prepared by LUNA Mexican Kitchen.
- Fresh ingredients from Veggielution and other local producers.
- Hayride and Agricultural History tours.
- Live music in the Veggielution Youth Garden.
- Wine and beer.

Veggielution connects people from diverse backgrounds through food and farming to build community in East San José. By connecting East San José residents to the land, to each other and to people and resources from outside this area, Veggielution helps to reduce social isolation and build social capital in individuals and the community.

Please take a moment to review the attached sponsorship packet to learn more about this year's sponsorship levels and benefits. I look forward to finding a time soon to further discuss these sponsorship opportunities via email or phone.

Thank you for your time and consideration in helping us make **fEAST** a huge success!
